

THE BUCK BLESSING

You may work with a friend, but each student is expected to write and send his/her own blessing.

If you don't have an IPAD you may work with someone who has one or construct your blessing on unlined paper.

Be sure use standard English for full credit.

Go back to English11.buchananschools.com and pen "Buck Blessing" template.

Write your own BUCK BLESSING using the format of the IRISH BLESSING as a model.
