Holiday Memories & Snowflakes

Today we are making snowflakes! You need paper, scissors, and your imagination. Follow along as the video gives you directions.

- Take your white paper and make a square.
- Cut off the extra paper.
- Fold paper in $\frac{1}{2}$--make a triangle.
- Fold paper in $\frac{1}{2}$ -- make a triangle.
- Open into a 1 triangle.
- Fold paper down in 60 degree angle.
- Fold other side down.
- Cut off tail.
- Should have a cone-shape.
- Cut pattern into the cone.

After the snowflakes have been created, write your favorite memory from a holiday in your past all across the surface of your snowflake.

Time to share. Who wants to share a holiday memory and your snowflake?

Place your snowflakes on the round table neatly.

Be sure your name is on yours.
