

Quotation → After Capítulo Nueve

Early in the novel, Ultima tells Antonio: “*The ways of men are strange, and hard to learn.*”

As a team, choose one of the characters from the novel and write a paragraph about the character that illustrates what Ultima might mean. How are the ways of men “strange,” and why are they hard to learn?

Individually, describe someone in your life who has influenced your beliefs. How do the ideas of this person work with, or conflict with, the influences of other people in your life? How do you reconcile any conflicts among these influences?
