Avicii - Wake Me Up

Feeling my way through the darkness
Guided by a beating heart
I can't tell where the journey will end
But I know where to start
They tell me I'm too young to understand
They say I'm caught up in a dream
Well life will pass me by if I don't open up my eyes
Well that's fine by me

So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself, and I
Didn't know I was lost

So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself, and I
Didn't know I was lost

I tried carrying the weight of the world
But I only have two hands
Hope I get the chance to travel the world
But I don't have any plans
Wish that I could stay forever this young
Not afraid to close my eyes
Life's a game made for everyone
And love is a prize

So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself, and I
Didn't know I was lost

So wake me up when it's all over
When I'm wiser and I'm older

All this time I was finding myself, and I
I didn't know I was lost

I didn't know I was lost
I didn't know I was lost
I didn't know I was lost
I didn't know

"Tubthumping"

I get knocked down
But I get up again
You're never gonna keep me down
I get knocked down
But I get up again
You're never gonna keep me down

Gloria Gaynor - I Will Survive

At first I was afraid I was petrified
Kept thinking I could never live without you by my side
But then I spent so many nights
Thinking how you did me wrong
And I grew strong
And I learned how to get along
And so you're back
from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I had known for just one second you'd be back to bother me
Go on now go, walk out the door
Just turn around now

'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no not I. I will survive
Oh as long as I know how to love
I know I'll stay alive
I've got all my life to live
I've got all my love to give and I'll survive
I will survive! Hey, Hey!

It took all strength I had not to fall apart
Kept trying' hard to mend the pieces of my broken heart
And I spent oh so many nights
Just feeling sorry for myself, I used to cry
But now I hold my head up high
And you see me, somebody new
I'm not that chained up little girl who's still in love with you
And so you felt like dropping in
And just expect me to be free
Now I'm saving all my love for someone who's loving me
Go on now go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to crush me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no not I. I will survive
Oh as long as I know how to love
I know I'll stay alive
I've got all my life to live
I've got all my love to give and I'll survive
I will survive, Oh

Go on now go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to crush me with goodbye

Do you think I'd crumble
Did you think I'd lay down and die?

Oh no not I. I will survive
Oh as long as I know how to love
I know I'll stay alive
I've got all my life to live
I've got all my love to give and I'll survive
I will survive,
I will survive!

It took all the strength I had not to fall apart
Kept trying' hard to mend the pieces of my broken heart
And I spent oh so many nights
Just feeling sorry for myself, I used to cry
But now I hold my head up high
And you see me, somebody new
I'm not that chained up little person who's still in love with you
And so you felt like dropping in
And just expect me to be free
Now I'm saving all my love for someone who's loving me
Go on now go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to crush me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no, not I. I will survive
Oh as long as I know how to love
I know I'll stay alive
I've got all my life to live
I've got all my love to give and I will survive
I will survive
I WILL SURVIVE.

Survivor - Eye Of The Tiger

Rising up, back on the street
Did my time, took my chances
Went the distance now I'm back on my feet
Just a man and his will to survive

So many times it happens too fast
You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rivals
And as the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds, still we take to the street
For the kill with the skill to survive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rivals
And as the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

Risin' up, straight to the top
Had the guts, got the glory
Went the distance now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rivals

And as the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger

The eye of the tiger
The eye of the tiger
The eye of the tiger
The eye of the tiger
The eye of the tiger
