

The Odyssey TRAVEL BROCHURES

You are to create a travel brochure. In your brochure, you must include and promote at least 3 locations from the epic, *The Odyssey*.

For every surface of the paper, you must plan something to promote the travel path Odysseus took.

The cover is usually a title page.

Inside, you must promote a minimum of three of the stops Odysseus made on his journey. Each area promoted must have a short paragraph describing it in only the most glowing terms.

On the back, provide information where to call to book the tour.

I expect these to be neat and colorful and of course, related to the epic. Everyone must turn in a brochure (no teaming up!!!) What questions do you have?
