

TWTTIN Character Collage

* As a team, create a collage of one of the characters from this story.

-- Your goal is to show a “Big” picture of what a character is like.

-- It should contain different features and characteristic traits of that character.

-- Your choices must be explained either on the poster itself or on a separate piece of paper.

-- It isn't supposed to look like a photograph. It's a collage of the different traits, both physical and emotional, that the character has.

-- It should be neat and colorful.

-- You may use paper or keynote.

-- You will present your collage to the class.
