

TWTTIN Character Organizer

Directions: To help you analyze the characters from the novel complete the following:

1. Circle whether the character is static or dynamic.
2. When necessary, fill in the character's age.
3. Make a list of each character's physical traits.
4. List one trait that characterize each person and explain examples of evidence from the novel.

Dynamic character =

Static character =

Physical traits =

Evidence =

TWTTIN Character Organizer
